SEASHORE TRIP.

Many Arrangement to Visit Old Point Comfort.

From present indications a large party will leave here next Friday, Aug. 11, for Old Point Comfort.

This is one of the most delightful outings of the season, as the thousands who have taken the trip in former years will testify to, and every one who can do so should take advantage of it and spend a couple of weeks on the seashore or in the mountains of Virginia. Tickets will have the long limit of fifteen days and the round trip railroad fare will be only \$18.15 from Hopkinsville.

Children over five and under 12, half fare. Numbers of Pullman reservations have already been made for the Hopkinsville party, and many will make the trip in the excellent day coaches on the Chesapeake and Ohio road, over which the run is made from Louisville. Stop over privilege will be allowed east of Hinton, W. Va., which territory embraces the many springs and pleasure resorts on both the blue Ridge and Alleghany mountains. Tickets can be secured here either Thursday afternoon Aug 10, or on the morning of Aug. 11, the date of the departure of the crowd. Those desiring further information should consult their local road agent or T. E. Bartley, business manager of the Kentuckian, Hopkinsville.

GOV. WILLSON AT ASYLUM

Arrives Unexpectedly Yesterday and Was Met By Dr. Sights.

WAS TRAVELING ALONE.

Visit Was Merely to Attend a Meeting of Board of Control.

Gov. Augustus E. Willson was in the city yesterday, arriving unexpectedly and accompanied by no one. He was met at the depot by Dr. H. P. Sights and driven to the asylum, where the Board of Control was in session.

The Governor merely timed his visit to the asylum so as to meet with the Board, which has under consideration the appearance of Pellagra at two of the institutions. He left for Louisville last night.

The only way out of it is to set the chicken in a ring and wear it.—Brandenburg messenger.

Too Prone To Wed.

San Francisco, Aug. 4.—The Southern Pacific Railway, beginning this month, is putting into effect a rule that hereafter no women are to be employed as clerks or stenographers in the company's passenger department.

Officials of the company assign as reasons for this action the tendency of the girls to marry just when they are becoming of great service and the physical incapacity which unfits them for advancement.
